Practice Emphasis

Brandea Bidelspach is an Associate Attorney in the Family Law practice. Brandea has experience in seeing clients through complex divorce and custody litigation. She is sensitive to the stress placed on families during litigation and works hard to provide guidance and stability in uneasy times whether that be through zealous advocacy in the courtroom or through alternative dispute resolution. Brandea knows that there are no one-size-fits-all solutions when it comes to a family, and she strives to find practical and individual solutions for her clients.
